Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Park. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Okay to take stills at Griffith Park at The Old Zoo and park in the Old Zoo lot on 3/31/15.
- Okay to take stills with models exterior scenes at caves and cages.
- Okay to have 12 cast and crew only.
- No alterations to site permitted.
- Not permitted to have generator.
- Must park legally in Old Zoo Lot.
- Company cannot have exclusive use to this location and must work around park patrons.
- Must not damage turf.
- No blocking trails, pathways, or walk ways.
- No staking into the turf or landscape.
- All vehicles to remain on paved loop. No heavy equipment allowed on grass. (E.g. condors, cranes, musco lights, scissor lifts). Turf vehicles may be used if conditions allow.
- No drilling into bear cave walls or stones.
- Any welding of Park property is subject to prior approval.
- Plant life can only be cut with Park Maintenance Supervisor's approval.
- No staking into grass.
- Emergency access must be kept at all times.
- Cannot block or stop people from accessing or using trail.
- Company must work around park patrons and maintenance crews.
- Company does not have exclusive use of park.
- Company must work around any city staff activities at park.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.

NOT A PERMIT

- If company uses the parks water or electricity, the company will be invoiced post filming $75 per used utility per day. If companies use more water or electricity than the $75 use fee covers, the company will additionally be invoiced for the remaining balance.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
